Dear Mother & Folks

How everyone at home?
Still sweating it out here. Mail
has been coming in great. Pain
& all the rest of you have been
great with that mail. & know
I have fallen way off in my
letter writing but I just can't
seem to get in the mood for
writing. Don't know why
not but will try to write
more often.

So Joe Ford is married
Everyone ~~has~~ getting married & Agnes
has called hers off. Think
Marion ~~is~~ right about her
& Rena Johnston.

I am not in any Army now.
We are a separate outfit. Hope

you get to see Frank. John is doing great hope that limp is leaving him.

The Riviera is in Nice. It was a wonderful place it has been one of the greatest Resorts in the World. Better than anyone in New York. The Braves are last again the Sox are losing fast. Third the next Ted "the kid back. How is Aunt Mabel? Hope she is feeling fine

Here is 50 dollars. Please put it in the bank or if you need it for anything, don't be afraid to use it. Must sign off. Love to All

Dick
